CONDUCTED BY THE

BROTHERS OF THE CHRISTIAN SCHOOLS.

THIS Institution offers Students every facility for acquiring a thoroughly Christian and practical Education—an education that will not only enable, but engage them to fulfill faithfully their duties as Christians, and thus make them good and useful members of society.

The Brothers are trained to the work of education; it is their vocation—the sole object of their Society. They live in the same house, sit at the same table, preside at the recreations, and, as far as possible, form a family circle with the Students, in order the more easily to gain their confidence, and thus be in a position to direct them successfully in their studies.

THE STUDIES.

The Studies are divided into two distinct courses—Collegiate and Commercial.

The usual Academic Degrees are conferred on those who merit the distinction.

The Business or Commercial Course is thoroughly organized, and forms a separate Department. A Diploma is awarded to those who complete this course and pass the required examination.

All the classes are examined publicly at the end of each Term.

The result of the monthly examinations of each Student is sent to the Parents or Guardian.

Besides the usual Class Exercises in Elocution, Literary Societies are organized to give the Students further opportunity for the cultivation of General Literature and Public Speaking.

TERMS.

(Payments Invariably in Advance.)

Board, Washing, Tuition and Medical Attendance.....\$150 00

Students in the Graduating Class of either Department will be charged Twenty-five Dollars additional per Term.

Music and Drawing Extra.

DAY STUDENTS.

Preparatory, Intermediate and Commercial Departments, per term of Five

Months.....\$ 40 00

Collegiate and Business Departments..... 60 00

PACIFIC
BUSINESS COLLEGE,

320 Post St., opp. Union Square.

The design of this Institution is to impart such an education as will best prepare students for the practical affairs of life. It provides thorough, systematic and practical courses of instruction, and employs a full corps of competent and faithful teachers. Every available modern improvement has been introduced, and whatever a liberal expenditure of money and well-directed energy could do, has been done to make the school what it should be, and to maintain for it a reputation worthy of its rank.

The Business Course, both theoretical and practical, is as near perfection as it is possible to make it. The system of *Actual Business Training* employed is unsurpassed, students receiving the same practice in conducting business affairs as though they were in a *bona fide* bank, office, or counting-house. Practical Penmanship is made the subject of daily drill.

The Academic Course affords an excellent opportunity for persons of any age to obtain thorough instruction in Spelling, Reading, Writing, etc., the Higher Mathematical branches, and the Modern Languages.

The Telegraphic Course is well calculated to make proficient operators. It includes careful instruction in *sound and paper* operating, setting up of instruments, management of batteries, use of switches and ground wires, etc.

General Information.—Day and Evening Sessions during the entire year. Students can enter at any time. Ladies are admitted to all the departments of the school. Individual instruction is given. Life Scholarships for the complete Business Course are issued at \$70.

GENUINE AROMATIQUE

FINEST STOMACH CORDIAL.

Prepared by THEO. LAPPE, Neudietendorf, Germany.

FAC-SIMILE OF BOTTLE. BEWARE OF IMITATIONS.

SOLE AGENTS FOR

Pommery Sec,
Gilka Kimmel,
Stomatique Cordial,
Dubos Freres, Bordeaux.

The AROMATIQUE is a preparation, made of the finest herbs and drugs, for more than half a century favorably known and accepted by the Public and the Medical Profession throughout Germany and other continental countries, as well as in the United States and the British Colonies.

The Gold, Silver and other Medals and the Certificates received from the highest professional authorities guarantee the value of this CORDIAL as a TONIC for general use, and as inestimable in cases of LOSS of APPETITE, DYSPEPSIA, FLATULENCY, DIARRHŒA, etc. A small glassfull taken will soon show its beneficial effects.

It is also highly recommendable for mixing with WINES, LIQUORS and MINERAL WATER, and a small quantity of it added will give the beverage a fine and delicate flavor.

The AROMATIQUE has received a large number of TESTIMONIALS from medical men of the highest order, of which a few read as follows:—

I have carefully analysed the "AROMATIC BITTERS" Liqueur prepared by TH. LAPPE. It consists of a very delicate and agreeable combination of diffusible aromatic tonics which are admirably adapted to promote appetite and digestion, being quite free from the objectionable coarse bitters commonly sold as such. These bitters supply a want long felt in this country, namely, as a harmless and pleasant dietetic stimulant for every day use.

I am faithfully yours,

H. C. BARTLETT,
Ph. D. F. C. S.

London.

I have subjected the "AROMATIQUE" to a thorough analytical-chemical pharmacological examination, and have found it to satisfy all scientific requirements, being prepared according to correct and scientific principles. Physicians may recommend it without hesitation, and the public may at all times use it as a most excellent dietary preparation.

DR. HESS.

Approved Apothecary of the first class, examining chemist and scientific expert for medical, technical and chemical articles of every kind.

Berlin.

I can recommend these exceedingly efficacious stomach bitters as a most invigorating as well as blood-purifying

preparation which has the power of stimulating and strengthening the impaired activity of the digestive organs.

DR. MED. GROVEN,

Surgeon of the Staff in the Royal Reserve Hospital.
Langensalza, Prussia.

The "AROMATIQUE" is composed only of harmless vegetable substances, and I highly recommend it in all disorders of the stomach and liver.

[L. S.]

DR. JACOBI.

Neudietendorf.

I have known the "AROMATIQUE" for the past forty years, and on account of its ingenious composition it has become a public favorite, and can justly be recommended as an eminently useful as well as nicely flavored preparation.

[L. S.]

DR. E. H. NICOLAI.

Arnstadt.

The "AROMATIQUE" has been used for years by many physicians with great success in weakness of the stomach and digestive organs, and also as a prophylactic against epidemic diseases.

DR. F. HASSENSTEIN,

District Physician, Ichtershausen, Germany.

BROWELL'S Patent Chimneys.

FIRST PREMIUM SILVER MEDAL OF MECHANICS' INSTITUTE, 1884.

Awarded for Patent Chimneys and Ornamental Chimney Tops.

Browell's Patent Chimneys have been endorsed by the Board of Supervisors, and approved and recommended for general use by the Fire Wardens, Insurance Companies and Leading Architects generally throughout the State. For particulars as to construction and use, apply to

AGENT PACIFIC CEMENT CO.

Browell's Patent Chimneys are the only Chimneys where Bands and Filling can be used to make a smoke and air tight joint, with iron rods or strapped to the building.

The United States Circuit Court has granted me a perpetual injunction against L. E. Clawson and Jos. S. Brown. All persons are cautioned against using any improvement in sectional chimneys patented by me. Manufactured and for sale by **J. BROWELL, 727 Montgomery Street, San Francisco.**

Browell's Patent Chimneys and Tops can be placed in any part of the house, or attached to the outside of any building, with perfect safety as regards fire.

These Chimneys are constructed in such a manner, that they can readily be used as Heaters and Ventilators, and are unquestionably superior to anything of the kind ever invented in the United States.

Decision of Judge Sawyer in the U. S. Circuit Court, District of California, Ninth Circuit.

September, 1881, W. E. Stevens commenced suit in the U. S. Circuit Court against Jeremiah Browell for infringing upon the Whittemore Patent Chimney, which Stevens owned by purchase. This patent was a reissue patent, and covered an inside and outside chimney with an air space between them; this feature, it was claimed, was infringed by J. Browell. The result of the contest is, that on May 19th, 1884, Judge Sawyer declared the Whittemore Patent Chimney void and invalid. And I hereby warn all persons not to infringe upon my said right, either by making, using, or selling chimneys containing any of the inventions or improvements covered and protected by said patents. The United States Circuit Court has sustained my patent on Sectional Chimneys, and has issued a **Perpetual Injunction** against the infringers, and I shall continue to prosecute violators of my right as long as any infringements exist.

I am also introducing my new Patent Lining for Chimneys, which, succinctly stated, is a Coating of Black Lead or Plumbago smoothly applied to the inner surface. By it the deposits of soot and unconsumed carbon, which fills up and chokes the ordinary chimney by the readiness with which it adheres to the rough surface, is prevented. No use of glazed pottery answers the same purpose, as it cracks and splits with heat; my application never does.

All persons contracting for the erection of chimneys, should be careful not to employ infringers, as in law they are equally responsible with the builders.
